ASSOCIATION QUÉBÉCOISE DES TRANSPORTS PUBLICATION

VOL 49 NUM 1, SPRING 2020

## Call for Papers

Deadline for sending in the synopsis of your article: **October 04<sup>th</sup>, 2019**

Selected authors for this edition must submit their final article by **November 18<sup>th</sup>, 2019**.

## Publicize your projects and stand out in the transportation community!

---

For annual publication of articles on all subjects represented in our expert committees, the journal will now be divided into SECTIONS, which are specific to each edition.

The spring 2020 edition will focus on transport INFRASTRUCTURES, FACILITIES and TECHNOLOGIES in Quebec, Canada and worldwide.

Are you working on inspiring projects, new studies, accomplishments you take pride in, promising technologies or programs? Earn them a spotlight in the transportation community by suggesting an article for the roads and transportation journal.

### SUBJECTS SOUGHT

---
